

How To Reach Us

From Milano-Roma A1 Highway: Firenze Nord Exit;

- Follow indications to Firenze Rifredi-Novoli, keeping left (Peretola Airport side);
- Go beyond round-cross and continue straight to Viale Guidoni;
- At first traffic light, before flyover, turn left to the very wide road XI Agosto;
- Go to the end of XI Agosto street, always straight (going beyond two traffic lights and under a flyover);
- At the end of this street, after a 180° curve, there is obliged direction (on right) to Via Sestese, (in the direction of Sesto Fiorentino);
- After about 20 meters, turn right and continue to Via di Collodi (a very narrow road) in the direction of Castello - Ville Medicee;
- Covered Via di Collodi, after Stop signal, turn left to Via Reginaldo Giuliani (obliged direction);
- Just 10 meters after, turn again right to Via della Querciola (in the direction of Ville Medicee, indications to Villa Petraia and Villa Corsini);
- Covered Via della Querciola up to first Stop signal, turn left to Via di Castello (in the direction of Villa Corsini);
- After 100 meters, this road skirts Villa Corsini, an old big building well visible at your right, with a vast semicircular garden in front of it;
- After the garden, continue straight about 50 meters and turn into the first road to the right. This is Via Giovanni da S.Giovanni (moderate speed since road is very narrow and two waysf);
- After about 30 meters, at the number 10 to the right, there is an iron gate and next to this the sign of FALCON INSTRUMENTS
- The company offices are located in the third small building.
